January 30, 2012

Notice is hereby given that the City of Lakeway has received an application for a Special Use Permit for a Home Occupation.

Proposed Action: Approval of a Special Use Permit (Home Occupation)

Location: 209 Copperleaf Road (Lakeway Section 24, Lot 3512)

The City of Lakeway has received a request from Brett Rodgers, who lives at 209 Copperleaf Road, for approval of a Special Use Permit to allow him to conduct a business out of his home. Mr. Rodgers is a consultant and will only be working on his personal computer. There will be no visitors to the home or outdoor advertisement and therefore the business should not impact the neighborhood.

A Special Use Permit may be granted by this office if the applicant agrees to comply with all of the restrictions and requirements of the City of Lakeway's Code of Ordinances. These regulations are included for your review with this letter.

If you so desire, you may send a written reply to this office at the above noted address; however, it must be received within 20 days of the date of this letter, after which time, the Special Use Permit may be granted. Please note that you have the right to request that a public hearing be held on this application if you feel that the proposed use will not comply with the regulations of the Code of Ordinances. If you have any questions or require additional information, please contact the Building and Development offices at (512) 314-7540, Monday-Friday, 8 A.M. to 4:30 P.M.

Sincerely,

Shannon Burke, AICP
