

We are excited to welcome our Lakeway Swim Center members and swim community back to the pool!

Due to the COVID-19 pandemic, please note that operational changes have been made to comply with health, safety, and physical distancing guidelines. Updates may occur with or without notice based on state and local authorities. **Swim Center capacity is limited to 150 persons on a first come, first serve basis.** Additional persons will be admitted once others have exited the facility.

Pool chemicals are monitored every two hours. As an added precaution, chlorine levels will be increased slightly. Restrooms will be open, but changing areas will remain closed. Restrooms are cleaned three (3) times per day, seven (7) days a week. Commonly touched areas such as the front desk, pool ladders and handrails, lifeguard stands, chairs, loungers, and picnic tables will be cleaned throughout the day.

NOTE: If you are exhibiting any symptoms of COVID-19, you will not be admitted to the facility.

PARENTS/GUARDIANS: You are our partner in keeping your child(ren) safe around the water. Please keep constant visual supervision of your child(ren).

LEISURE POOL GUIDELINES

To provide a safe environment for all, we ask that you observe all posted facility rules and guidelines, including the following:

- While it is recommended that you wear a mask to/from the facility, masks will not be permitted in the water.
- Wear your swimsuit to the pool, as changing areas will remain closed, and deck-changing is not permitted.
- Public restrooms are located inside the facility, as well as outside near the basketball court.
- Enter the facility through the main entrance, and check-in at the front desk.
- Individuals should maintain a 6-ft. distance from others at all times.
- Swim Center capacity is limited to 150 persons on a first come, first serve basis. Additional persons will be admitted once others have exited the facility.
- It is recommended that you shower before/after swimming. There are three (3) outdoor showers located throughout the facility.
