Covid-19 Service Restriction: Effective March 23, 2020

All residential services are reduced to collection of "cart contents only" in order to reduce chance of exposure of personnel with solid waste that may occur if handling by hand. Contents placed outside the cart will not be collected.

Starting **Monday, March 23, 2020 through April 30, 2020**, all trash and recycling will be limited to the disposal of the contents of the trash and recycling carts only. *

Your weekly service will stay on the same day, but any additional bags and boxes, or bulky pick up will not be serviced during this time. We apologize for any inconvenience, but this will protect the drivers so we can ensure ongoing trash service.

Please be aware of the following:

- Please bag all trash contents and tie securely.
- Items in the recycle bin should still be loose in the cart.
- Residents who would like an additional trash cart can contact the office to order one. The cost for quarterly service of 2 cans is \$87.42/quarter (Service for one can is \$66.42/quarter)
